

Minor Rotation

DISORDERED EATING ROTATION

(4+ hours; 3 direct service; 1.0 supervision; 1.0 monthly treatment team)

Program Description: This rotation is designed to afford interns the opportunity to gain more in-depth experience working with students who experience disordered eating through individual therapy, assessment, co-leading a support group, and participating in monthly meetings with the Eating Disorder Treatment Team. Interns will also gain more experience working on a multidisciplinary team through the monthly treatment teams. If group does not make, a third individual client will be assigned to the intern.

Program Requirements: Interns are expected to read and apply research/theories related to their work with individuals who experience disordered eating and to fully engage in individual supervision. Interns are also expected to co-lead the Eating Disorder Group and attend monthly treatment team meetings. The breakdown of the total number of weekly hours for the rotation is as follows:

Individual Therapy Supervision:	0.5 hours
Eating Disorder Group Supervision:	0.5 hours
Group Therapy	1.0 hour
Individual Clients:	2.0 hours
Eating Disorder Treatment Team (monthly):	<u>1.0 hour</u>
Total:	4+ hours

Training/ Supervision Provided: Weekly ½ hour for supervision of individual clients and ½ hour for supervision of group.
